Glossary

Bodily Injury: Covers the cost of medical payments if you injure someone in an accident

Property Damage: Covers the cost of damage you cause to to another person's property

Personal Injury Protection: Helps cover the medical expenses when you are injured in an accident regardless of who is at fault

Uninsured Motorist: Covers additional medical expenses if you are injured in an accident when you are not at fault

-**Non-Stacked:** Covers you while you are in any vehicle listed on your policy

-**Stacked:** Covers you while you are in any vehicle, even those not listed on your policy. Additionally, coverage limits increase depending on the number of vehicles listed on the policy at the time of loss

Medical Payments: Covers additional medical expenses if you are injured in an accident, regardless of who is at fault

Comprehensive: Covers damage to your vehicle from losses other than collision (EX: theft, vandalism, acts of nature, etc.)

Collision: Covers damage to your vehicle resulting from collision with another object

Towing: Helps cover costs associated with towing your vehicle as a result of a covered claim

Car Rental: Helps cover the costs of a rental vehicle while your vehicle is being repaired due to a covered claim

Disclaimer: These definitions are provided in an effort to assist consumers in understanding their insurance policy benefits. This is a brief summary and is not intended to represent the actual policy or be inclusive of all policy provisions. The protection being afforded is described in the policy declarations and is subject to specific terms, conditions, and exclusions.
